MEMORANDUM FOR: Director of Central Intelligence

FROM : Angus MacLean Thuermer
Assistant to the Director

SUBJECT : Suburban Newspapers of America Speech
Invitation - Denver

This organization asserts that its member papers have a circulation of 10 million. The May 20th meeting at the Brown Palace will involve 200 to 250 publishers and their wives. They would like you to have a 30 or 40 minute presentation with Q & A.

The kind of papers involved are the sort of neighborhood paper we find in Arlington, Fairfax, and Montgomery Counties covering local affairs for suburban folk.

If you're going out West or figure you can spend a long day shuttling back and forth to Denver, I don't see why you shouldn't oblige them. These people have nowhere near the clout of the ASNE of course. The invitation does get you out with the Agency message to a group that might carry our story.
